

MUSIC MATTERS—SUBSCRIBE NOW!

Dear Friend of Music Matters,

This fall marks the start of the eleventh year of our **MUSIC MATTERS CONCERT SERIES**, and our evolution continues. As we begin our third year of offering a subscription series, we hope you might consider subscribing for this coming season.

We recently introduced a more realistic admission of \$15 for many of our upcoming concerts, and occasionally will be charging \$20 when artist fees warrant. The cost of a subscription, however, will only increase slightly to \$125. This affordable way to support the series offers admission to all 10 Music Matters concerts through next June, and the inclusion of your name in the printed program. Becoming a subscriber is truly an investment in helping us maintain the programming excellence you've come to expect.

Our heartfelt thanks for your continued enthusiasm as we strive to bring you distinctive music programming under the umbrella of our signature series.

Yours sincerely,

A handwritten signature in blue ink that reads "Lori".
